Medicare Supplement

Not so surprisingly, seniors have questions about health care - especially Medicare. Even with all of the information out there you may still be wondering what medical services and expenses Medicare actually covers and which of these are not covered. But most importantly, you want to be sure that when you require medical treatment your Medicare coverage provides sufficient benefits to meet your needs. We can answer these questions and show you how a Medicare Supplement insurance policy from Combined Insurance can help fill in the gaps in your traditional Medicare coverage.

COMBINED INSURANCE HAS PROVIDED MEDICARE SUPPLEMENT COVERAGE SINCE 1988 AND HAS PAID NEARLY \$1 BILLION IN CLAIMS FOR THESE POLICYHOLDERS ALONE.⁽¹⁾

(1) Combined Insurance claim data, 2010.

YOUR COSTS OF PARTICIPATION IN MEDICARE HAVE INCREASED SINCE THE BEGINNING OF THE MEDICARE PROGRAM, INCLUDING...

deductibles and copayments • monthly premiums • uncovered expenses

As you may know, these gaps in coverage, commonly called medi-gaps, are your out-of-pocket responsibility. In fact, in 2006 Medicare paid less than half of total Medicare expenses per beneficiary, on average.⁽¹⁾ This, combined with ever increasing costs, can lead to a significant financial burden.

Combined Insurance offers a choice of three different standardized Medicare Supplement policies. Let's see how a Medicare Supplement plan from Combined Insurance can help fill in the "gaps" in your Medicare coverage.

EXCLUSIONS

Combined Insurance's Medicare Supplement policies do not cover or pay for:

- (1) Services rendered by or covered by any agency of a state government (except Medicaid), when you have no obligation to pay for such services; or
- (2) Expenses covered and payable under Medicare.

MEDICARE DEDUCTIBLE AND COPAYMENT CHANGES

If Medicare changes its deductible and copayment amounts, the policy benefits will also change. When this happens, your renewal premium may increase. Premiums are based on issue age rating which means your renewal premiums may increase each year; however, any increase will not be based on your age.

RENEWABILITY

Combined Insurance guarantees it will renew this policy for your lifetime (so long as the required premium is paid). Combined Insurance reserves the right to change the premium. Any change in premium will be made on all policies of the same class.

30-DAY TRIAL

If you are not satisfied with the policy for any reason, you may cancel your policy within 30 days of the effective date and still receive a full refund.

"Excess Charges" (only available under Plan F) is the difference between the Medicare Part B-approved expense and the amount charged by the attending physician, which can be no more than the limiting charge allowed by Medicare.
