

Online Certification Process Required for 2022 Medicare Training:
Medicare Advantage and Part D Certification
(External-SelfReg)

In order to market Medicare Advantage and Part D products, CMS requires that agents be certified annually. **The 2022 certification site will be accessible June 30th with a simple registration process.**

2022 Courses required for certification include:

- **Core Medicare Training, including Fraud, Waste & Abuse (FWA)**
- **Compliance training**
- **Product training**

Core Medicare Training is a part of the requirements to be allowed to market and sell our 2022 plans whether you were certified for Medicare Advantage or Part D plans for 2021 or are just getting certified now.

New for this year, you have the option of taking your Core Medicare Training through either **AHIP or NAHU**. Both options include Fraud, Waste & Abuse content as part of their Medicare Advantage and Part D certification program.

AHIP Certification: If you are new to AHIP certification, you will need to review the slide **content** for all modules. If you previously took and passed AHIP certification for 2021, the system will recognize you when you register, and you will be presented with AHIP re-certification for 2022. Re-certification presents you with all 5 AHIP MA/Part D modules, but you are not required to review the slide **content** for modules 1, 2 and 3. You must complete the review questions for modules 1, 2, and 3 before proceeding to other modules. It is important to note that you will be tested on all 5 parts. Estimated time to complete the AHIP MA/Part D modules is approximately 4 hours. There is a 2 hour time limit on the AHIP MA/Part D final exam. Successful completion of the AHIP exam requires a score of 90% or better. You are allowed 3 attempts per registration to achieve a passing score on the final exam.

AHIP has already updated their site to the 2022 version of the certification and exam. Anthem's certification training site which provides access to the AHIP discount has been updated to reflect this. If you have not taken the 2021 certification and choose to do so now, you will receive credit for both 2021 and 2022 for the AHIP Medicare Training. In addition, if you have not taken the 2021 Compliance and Product Training and choose to do so now, you will receive credit for both 2021 and 2022 upon successful completion.

AHIP Fraud, Waste & Abuse (FWA): This additional segment of the 2022 AHIP training program provides information on Nondiscrimination, Fraud, Waste & Abuse, and General Compliance. Successful completion of each topic requires a score of 70% or better. AHIP FWA testing is separate from the AHIP Medicare Advantage and Part D final exam.

NAHU Certification: If you choose this option, you will need to register on NAHU's site and create a profile. NAHU training lists 4 units. The Medicare and Fraud, Waste & Abuse content is presented in 3 Units, with practice questions following each. Unit 4 is the final exam for the NAHU Medicare and FWA content. The final exam must be completed in one sitting. Successful completion of the NAHU exam requires a score of 85% or better. You are allowed 6 attempts per registration to achieve a passing score on the final exam.

2022 Compliance Training modules are available on Anthem's certification training site. Modules include Foundation/Basics, Risk Prevention, Sales Event Reporting and Tools for Compliant Selling. Estimated time to complete compliance modules and their assessments vary. Required passing scores vary by module and will be noted in the instructions.

2022 Product Training modules are accessible upon completion of the Compliance Training modules. You are required to complete the modules for the products you intend to sell. **If you intend to sell MAPD plans, the Part D course must be completed along with the HMO and/or PPO training. For SNP plans, you must take the SNP and Part D modules, as well as the HMO or PPO module, depending on the type of SNP plan available in your area.** Estimated time to complete compliance modules and their assessments vary. All product modules require a score of 90% or better.

To access the 2022 certification site, please see the instructions on Page 2.

Online Certification Process Required for 2022 Medicare Training:
Medicare Advantage and Part D Certification
(External-SelfReg)

User Registration (AHIP)

1. Start at the “Welcome to 2022 AEP Agent Certification” page at: <https://getcertified.anthem.com/>
2. Review the options for the Core certification training and select either the AHIP or NAHU option, following the prompts on the page. For AHIP, continue to Step 3 below. **(For NAHU, please skip to Page 3 of these instructions.)**
3. Click the Medicare Certification button which goes to: <https://anthem.cmpsystm.com/page/login>
4. Logging in or Creating a Profile
 - a. New Agents: Click the *First Time Visitors* button to create a new profile.
 - b. Existing agents: The first time you access the new site after 5/10/2021 you will need to use the “Forgot your password?” link to reset your password to access the new site.
5. In the Access Code Field, key in **External-SelfReg** (with hyphen, exactly as shown) and click *Submit*. Agents creating a new profile should proceed to Step 6. Existing Agents can skip to Step 9.
6. New Agents will be taken to the Registration *Step 1 of 3* page where the following fields will need to be populated:
 - a. Last name (enter name as it appears on license)
 - b. Date of Birth (mm/dd/yyyy format)
 - c. Last 4 digits of Social Security Number (SSN)
7. The Registration *Step 2 of 3* page will display; complete all required fields (marked with an asterisk):
 - a. Click the “*Find my NPN*” button to retrieve your National Producer Number.
 - b. Create a password and re-enter it to confirm.
 - c. Enter other required fields, such as Email address, Company name, phone number, etc.
 - d. Click the *Register* button.
8. The Registration *Step 3 of 3* page will display confirming your registration and providing you with your username. Be sure to make a note of this. Click *Continue*. New agents proceed to Step 8.
9. Existing Agents: your profile information will be displayed. Please review all fields and update if needed. Review and accept the Terms of Service Agreement. Click *Update Profile*.
10. Agents will be taken to the Anthem Medicare Certification Training Center (“Training Center”) for their AHIP, Compliance and Product Training.
11. Click on the 2022 training under My Certifications. The first section that appears on the list will be AHIP Medicare Training. Click the AHIP course title.
12. Click *Yes* when asked to confirm you want to leave the Training Center to go to the AHIP site.
13. Your registration information will carry over from the Training Center to AHIP. Complete the AHIP profile registration/verification by entering your password information and agreeing to the AHIP site’s terms of service and privacy statement. Click *Register* (or *Update Profile*).
14. The AHIP site will confirm your username on the next page. Click *Continue*.
15. You will see a Shopping Cart panel on the right. NOTE: You will be asked by AHIP for upfront payment at Anthem’s discounted rate of \$125.00.
16. Complete the Billing and Payment information. If the Billing information is the same as your Profile information, check the box “Copy profile information.”
17. Click *Go to Checkout*. You will receive an order confirmation. Click *Go to my courses* to begin.
18. Proceed with the AHIP Medicare Training modules and exam, and then the Nondiscrimination, Fraud, Waste & Abuse, and the General Compliance training.
19. You can return to the Training Center from the AHIP window by clicking the *Return to Anthem* link in the upper right corner of the AHIP training page.
20. Launch remaining courses by opening each track and clicking on the course title. The course will launch right in your training page and slides will advance automatically. Use the player controls to pause/resume the course, or return to previous slides if needed.
21. You must view each course module completely before you are able to access the assessment link at the end of the content.
22. A green check mark will show on the My Certifications page next to each module when it has been successfully completed and a passing score has been achieved on the assessment.

If you wish to select the **NAHU** option for your Core Medicare Training, please go to the Page 3.

Online Certification Process Required for 2022 Medicare Training:
Medicare Advantage and Part D Certification
(External-SelfReg)

User Registration (NAHU)

1. Start at the "Welcome to 2022 AEP Agent Certification" link: <https://getcertified.anthem.com/>
2. Review the options for the Core certification training and select either AHIP or NAHU option, following the prompts on the page. For NAHU, continue to Step 3 below. **(For AHIP, please go back to Page 2 of these instructions.)**
3. Under Step One in the NAHU column, click the button *Enroll in NAHU Certification* which links to: <https://nahu.inreachce.com/Details/Information/7f5a1575-53b6-4435-835a-1811687e262e>
4. In the upper right corner, click the drop down arrow next to Hello Guest/Sign In to create your NAHU account. On the drop down box, click the *Start Here* link after New Customer to create your profile.
5. On the lower left of the Online Learning page, click the link to *Create your account*.
6. Fill out the required profile information and create a Username and Password.
7. Return to the Enrollment link to complete the purchase of the Medicare Certification course: <https://nahu.inreachce.com/Details/Information/7f5a1575-53b6-4435-835a-1811687e262e>
8. Click the gold *Add to Cart* button and select the blue *Checkout* button on the next screen. NOTE: You will be asked by NAHU for upfront payment of \$100.00.
9. Complete Purchaser Contact Information, including your insurance license number, if not previously entered on the registration page.
10. On the Cart Summary, enter your payment information. If you have a Coupon Code, enter it in the Coupon Code field and click *Apply*. Otherwise, complete the Credit Card section.
11. Click *Complete Purchase*.
12. You will be redirected to your My Products page, where your Medicare Advantage Certification Training is located.
13. Click the green *Play* button of the first module to start your course. A pop-up window with the presentation will appear. You may start the presentation and pick back up where you left off later.
14. The last module of your NAHU course will be the final exam. Follow the screen prompts if you wish to add CE credits, including any exam monitoring instructions (if required in your state).
15. After successfully completing the NAHU exam, you will be directed to complete the FWA attestation.
16. Click to link at the end of the NAHU course to return to the GetCertified.Anthem.com page to complete the rest of your required Compliance and Product Training.
17. Under Step Two in the NAHU column, click the button *Medicare Certification Center* to go to: <https://anthem.cmpsystem.com/page/login>
18. From here, you can follow the steps on Page 2 of these instructions (for new or existing agents, as applicable) to log in to the Anthem Medicare Certification Training Center, resetting your password if needed.
19. Click on the 2022 training under My Certifications.
20. You may disregard the first section for AHIP Medicare Training, as you selected NAHU as your Core certification training.
21. Complete the modules in the Compliance Training and Product Training sections.
22. Launch these remaining courses by opening each track and clicking on the course title. The course will launch right in your training page and slides will advance automatically. Use the player controls to pause/resume the course or return to previous slides if needed.
23. You must view each course module completely before you are able to access the assessment link at the end of the content.
24. A green check mark will show on the My Certifications page next to each module when it has been successfully completed and a passing score has been achieved on the assessment.

If you wish to select the **AHIP** option for your Core Medicare Training, please go to the Page 2.

If you have any questions, please contact your lead or director. For any questions that arise once you access the certification site, simply click the Broker Support link under the *Contact Us* section to submit questions to the certification site email box.

As always, thank you for your business.
