

Medicaid Redetermination

Beginning February 1, 2023, states can begin to initiate the Medicaid Redetermination process. Please find below updates on when each State initiates the Medicaid Redetermination process and when members will begin receiving letters from the state.

We've included links directly to the state website for reference.

Below information updated as of 3/6/2023

Virginia	March 2023	May 2023
Washington	April 2023	June 2023
West Virginia	February 2023	May 2023
Wisconsin	April 2023	June 2023

Wyoming	March 2023	May 2023
-------------------------	------------	----------

* Effective Date is the last day of the given month (Ex. June 2023 is June 30, 2023)

Please remind impacted members of the following:

- Confirm contact information is up to date with their state Medicaid agency
- Watch for mail from the state requesting additional documentation
- Respond to any request from the state promptly and within deadlines

Resources available to assist with Medicaid Redetermination

Our Dual Eligible Outreach (DEO) team is available to assist current members to reapply for Medicaid and the Medicare Savings Plan.
