

# Important Reminder: Watch for Your Medicare ANOC Letter

Insurance Services

Hi [First Name],

We hope you're enjoying your summer! As we get closer to Medicare's Annual Enrollment Period (AEP), we wanted to remind you to keep an eye out for your **Annual Notice of Change (ANOC) letter**, which should arrive by **September 30**.

Your ANOC is sent by your current Medicare Advantage or Part D plan and includes important updates for the upcoming year, such as:

- **Changes in premiums, copays, or deductibles**
- **Updates to your provider network or covered services**
- **Formulary or prescription drug coverage changes**

It's a good idea to review this letter carefully so you can decide whether your current plan still meets your needs for 2026.

If you have questions after reviewing your ANOC, we're here to help you understand your options during the **Annual Enrollment Period (October 15–December 7)**.

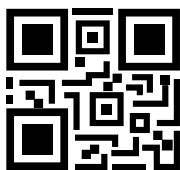

Let us know if you'd like to schedule a time to talk.

All the best,
