About PSM

Located in beautiful Austin, Texas, Precision Senior Marketing, LLC is a full-service, national insurance marketing organization dedicated to recruiting, servicing, and supporting the best independent sales agents in the United States.

With thousands of agents nationwide and growing, we leverage our powerful community to provide our agents with the best products, most competitive commissions, and first-hand knowledge of industry news to dramatically increase sales.

Why Medicare?

With more than 10,000 Americans turning 65 everyday, the market will continue to experience rapid change and growth, thus it is imperative, now more than ever, for an independent insurance agent to have a valuable and influential support base in order to succeed.

"Medicare products are some of the most demanded in the industry."

At PSM, we want to be that support base, and encourage you to come join us to see how our team of experienced representatives can help you grow your business.

Marketing Resources

PSM is pleased to provide you with a library of pre-approved marketing materials to help you retain and grow your book of business.

In today's competitive market, it is helpful to have marketing materials that adhere to CMS guidelines and help you stand out with potential clients. Our customized, carrier approved marketing materials are available to all PSM agents.

As a PSM Agent, you will have access to the following marketing resources:

PSM Marketing Hub offers:

- Business Cards
- Medicare Flyers
- Event Banners
- Posters
- Brochures
- Promotional Material
- And More

Note: All of our custom marketing materials are CMS-compliant.

Agent Programs

We have developed effective programs and resources to help you better utilize your time, so you can focus on new business opportunities.

We realize the Lead Generation and Client Prospecting techniques our agents employ are as unique as the individuals that use them. Because the "one size fits all" approach does not appeal to many of our agents, we've constructed programs that are flexible as they are bountiful.

Lead Programs

PSM has teamed up with the most reputable companies to make sure our agents have only the best selection available. From Direct Mail, internet leads, to call transfers, you choose the lead programs that works best with your schedule and preference.

Co-Op Marketing Reimbursement

PSM producing agents have access to our marketing reimbursement program which allows us to contribute back to your marketing budget. In addition we help agents during AEP with Co-Op marketing dollars to keep your business growing all year long.

Personalized Marketing Materials

With our personalized CMS-compliant marketing materials, you will never have to worry about making mistakes. We provide the resources you need to attract new clients as well as engage your existing book of business.

Agent Benefits

You Own Your Book of Business

PSM only offers direct company contracts. Our agents are vested and maintain ownership of their business.

Top-Level Commissions

You will always receive maximum commissions available when working with us. We have partnered with the industry's leading carriers to make sure our agents have access to the highest compensation, bonus opportunities and incentives.

Marketing Support

In today's competitive market, it is helpful to have marketing materials that adhere to CMS guidelines and help you stand out with potential clients. Our carrier approved marketing materials are available to all PSM agents.

Online Enrollment Solutions

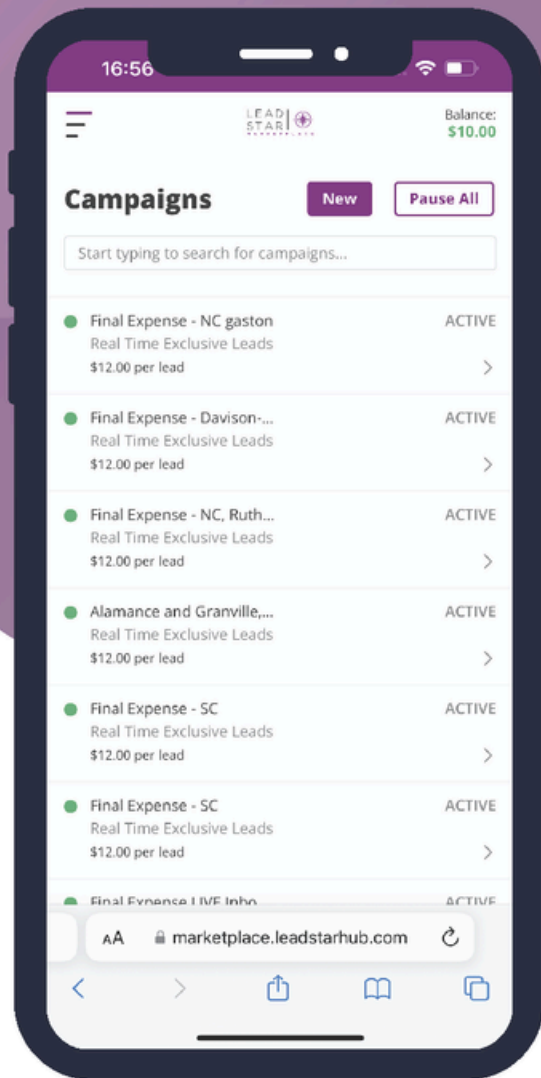

With our online enrollment platform, you now have the opportunity to improve productivity, reduce time spent traveling from appointment-to-appointment and empower you to close more business from the comfort of your own home.

Exclusive Proprietary Products

Our robust product portfolio means more opportunities to provide the right solutions to your clients

Client Referral Program

ReferMe IQ™ helps insurance agents like you generate more business from client referrals in your personal network. Their Automated Referral Intelligence goes far beyond your typical auto-responder.

The ReferMe IQ™ system contacts your current relationships and requests referrals- for you: personally, authentically and in ways they prefer! It then sends an email from your relationships to their personal network recommending your business.

The ReferMe IQ™ Solution

- Drives all 5 key behaviors necessary for referral success
- Totally automated – works behind the scenes once set up
- Is personal and authentic leading to higher engagement
- Makes everything easy for users, referral sources and referrals
- Very Affordable
- The only system available that creates the actionable path for referrals to request contact with you – in ways and at a time they prefer!

CRM Solutions

AgencyBloc is an agency management system that helps life and health insurance agencies grow their business with an industry-specific CRM, commissions processing, and integrated business and marketing automation.
