

THRIVENT®

# THE INCENTIVE TO BUILD HOPE

Together, we can meet our goals and impact lives. With this unique incentive trip, you can lay the foundation for families to build memories. Of course, we'll build in some well-deserved R&R time too!

Thrivent connects faith and finances for good. Nothing is better evidence of this than their commitment to Habitat for Humanity.

*Shelter is one of the most basic needs for human survival. Without proper shelter, an individual or family cannot thrive. The "Builds" experience allows me to do something significant and meaningful for a family. The fact that my work life and relationship with Thrivent enabled the opportunity to participate in the build and make a difference is a huge plus and enhanced the entire experience.*

When Hurricane Irma ripped through Highlands County in September 2017, the storm reported to have damaged more than 13,000 homes, leaving at least 144 completely uninhabitable. As a result, thousands of families were affected and financial goals disrupted ... which is where you come in!
